### Maxine Elliott Denies Story of Tennis Match For High Stakes at Bushey Heath

Miss Maxine Elliott on the steps of her unique "home in the treetops" at Bushey Heath, her fine English residence.

[By Latest Mail]  
LONDON—Miss Maxine Elliott, formerly Mrs. Nat Goodwin, denies the widely published story that the Duke of Marlborough and F. E. Smith, M. P., the rising hope of the Tory party, agreed to play a tennis match on her winter court at Bushey Heath for \$2,500.

Miss Elliott admits that there was some talk of a match last summer, but the idea was dropped. The Duke is forty-two and Smith a year younger. They have been matched against each

other frequently when staying at Blenheim.

Miss Elliott's Sunday afternoon teas and private tennis tournaments at Bushey Heath are the smartest gatherings to be found in the season, her guests often including Arthur Balfour, Lord Curzon, the Asquiths, Grand Duke Michael, Countess Torby, the Duchesses of Marlborough, Sutherland and Rutland. Tennis experts like Doherty and Wilding also frequently play there. Sometimes there is heavy wagering, and at some parties Miss Elliott gives pretty prizes.

### DR. SINCLAIR WOULD MAKE NEW ARRANGEMENT FOR THE LEAHU HOME

Dr. A. N. Sinclair, acting for the Leahu home, has refunded to the city and county out of money the municipality has paid the institution, the sum of \$190. During the time when all "free beds" at the home were taken, the city and county sent patients there, paying for their keep at the rate of \$1.50 a day. The money comes out of the sums so paid, "free beds" having been found for the patients some time after their arrival. In returning the money, Dr. Sinclair suggests that a new arrangement be reached between the home and the supervisors in the matter of providing for city and county indigent tuberculosis patients.

### SARAH BERNHARDT AT THE POPULAR

Sarah Bernhardt, the world's greatest actress, is being presented at the Popular theater to packed houses. The intensely compelling drama in which she appears to the greatest advantage, selected especially by herself for her best effort in moving pictures, "Camille," has, like a beautiful painting from a master's brush, never lost its charm. In every large city of the world this pathetic drama continues to awaken a sympathetic interest, and has long been proclaimed the favorite human-interest play.

There is but one Bernhardt. There is never to be another. Bernhardt, with her distinguished talent and genius, holding the palm for a decade as the world's greatest dramatic artist, has appeared for her last time in moving pictures, and the plaudits which this wonderful woman has awakened at every appearance will soon be heard no more.

The only opportunity ever accorded Honolulu to see "The Divine Sarah" is now at hand. The three long reels of "Camille" will be shown Thursday and Friday evenings only before being shipped to the Orient.

### YOU'RE BILIOUS AND CONSTIPATED! LIVER IS SLUGGISH—DIME A BOX

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and constipated bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a still barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow

low skin, mental fears, everything that is horrible and nauseating. A Cascarets tonight will surely straighten you out by morning—a 10-cent box will keep your head clear, stomach sweet, liver and bowels regular and make you feel cheerful and bully for months. Don't forget your children—their little insides need a good, gentle, cleansing, too, occasionally.

### STRATHCONA GAVE GOOD ADVICE IN HIS LAST MESSAGE

Eighteen days before his death at 94 years of age, Lord Strathcona wrote his usual introduction to the annual financial survey of the Toronto Globe, for cable to that paper, and it contains advice to manipulators of capital which might well be heeded in other countries than that for which it was intended. After referring to the rapid increase in interest rates demanded by British lenders, the Canadian high commissioner said:

"It need hardly be repeated that it is better for Canada that its expansion should be steady and sure, than that it should be built up on less solid foundations. Although financial conditions have been somewhat stringent in Canada for the last year or two, it is not the stringency that comes from adversity, but the stringency that has sprung from prosperity.

"It seems almost as if every country in the world and every industry in the world is trying to get more money for development purposes, to extend commercial enterprise, and to 'make lay while the sun shines.' There is not enough to go round, and the time has come when there are clouds in the sunshine. Canadians should be more careful than ever of the position of the Dominion in their financial markets. Greater regard must be paid to the investor than is always shown to him."

### THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Beautify your Hair! Make it soft, fluffy and luxuriant—Try the moist cloth.

Try as you will, after an application of Danderine, you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most, will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine will immediately double the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—advertisement.
